TESTING THE TEACHER.

A Curious Old School Report Made In

Boston In 1722,

manner in which the visit of inspection

is recorded makes one incline to the

view that the unlucky schoolmaster

may not have had fair play, although

if he was really inefficient he may be

said to have been judged by his peers.

1722, it is set forth that:

In the record for the 22d of May.

"Coll Pen Townsend, Jeremiah Al-

wrighting School at the Southerly End

of Boston on Thirsday the 24th apil

1722, and Examined the Scholars under mr Ames Angers tuition as to their

proficiency in Reading writing Sey-

phering & the masters ability of teach-

ing & Instructing youth his rules & methods therefore And are of Opinion

to Continue mr anger in that Employ."

It is true that nothing is said of the

of the record, but there is certainly

something absurd in the passage as it
